Parents/Guardians/Staff/Community Members:

A Special Board Work Session will be held on Wednesday, February 24, 2010 at the Hanover Library. This Work Session will be an opportunity for the Board of Education and Administration to discuss the budget process for next year and go over our plans after gathering input from Board members, staff, parents/guardians and community members. This will be like all Work Sessions and will not involve public participation. The public and staff are certainly welcome to come and listen.

Sincerely,

Darryl E. Webb
