#### ***A few welcoming notes:***

*The board's meeting time is dedicated to the mission and top-priority focus areas. Your insights are needed and welcomed and the board encourages you to meet with the most appropriate person. "Public participation" is an opportunity to present brief comments or pose questions to the board for consideration or follow-up. Each person is asked to focus comments to three minutes. The boundaries are designed to help keep the meeting focused and in no way should limit conversations beyond the board meeting. Please call the superintendent before the meeting to participate in public participation. The "consent agenda" is based around decisions, which are highly routine or backed by prior information/discussion.*

*If you are interested in helping the achievement effort, please talk with any member of the administrative team or call the district office at 719-683-2247. Opportunities abound. Your participation is highly desired.*
